Boom and bust 1920s answers

Please read this document carefully. It is a legal agreement between you and CICERO Systems, a division of the American Institute of Educational History, LLC (AIHE), regarding the use of this site. Your registration and continued use of this site represents your acceptance of these conditions. The Children's Online Privacy Protection Act applies to websites that collect personal information from children under the age of 13. CICERO's system products and services are aimed at teachers and parents. CICERO Systems does not collect personal information from children under the age of 13. Student use of this website is only available when student accounts are created by the main account holder. Limiting liability You agree that you will pursue harmless CICERO Systems and its officials, directors, employees and volunteers from all claims arising from or related to your access or use, or your inability to access or use, this website or information contained on that site or other websites with which it is associated. This includes, but is not limited to, information or material viewed or downloaded from this website or other website to which it is affiliated, which appear to you or is interpreted by you as obscene, offensive, defamatory, or which infringe on your intellectual property rights. CICERO Systems or the authors of the information on this website will in no case be liable to you or anyone else for any decision you have made or actions taken depending on such information or for any consistent, special or similar damage, even if you are informed of the possibility of such damage. Use of materials All materials presented on this site, including, but not limited to information, documents, products, logos, graphics, sounds, images, software, templates and services (Materials), are provided either by CICERO Systems or by third-party sponsors, manufacturers, authors, developers and suppliers (third-party vendors) and are copyrighted works by CICERO Systems and/or their respective suppliers. Materials presented on this website can be copied, reproduced, distributed, downloaded, displayed or transferred in any form or by any means, exclusively by the organization that uses the user, access to the system. You may not reflect any material contained on this website on any other server without the prior written consent of CICERO Systems. Acceptable use of an account issued to you by CICERO Systems should only be used in the manner described below. Violation of these rules may result in the termination of access and/or the cause of legal action. Account only the person to whom it is issued. You are responsible for the actions of anyone who uses your account. All passwords issued must be held privately and safely. The subscriber is responsible for all the use of their accounts and for protecting the password of each account. In other words, don't share your computer accounts. If someone else recognizes your password, you have to change The account should not be used for unauthorized access and/or attempts to access computers, computer software, computer data or information or networks without proper permission, regardless of whether the computer, software, data, information or network in question belongs to AIHE. The user should not take advantage of the inexperience or negligence of another person to gain access to any computer or electronic resource account for which he or she did not explicitly authorize access. The user should not use this website for any illegal activity or violation of laws in your jurisdiction. The user should not use CICERO's electronic communication systems to harass or threaten other users. The user must report any abuse to their organization's security or information technology department and notify CICERO Systems by emailing abuse@cicerosystems.com. Links to third party sites This website may contain links to websites controlled by other parties other than CICERO Systems. CICERO Systems is not responsible and does not accept or accept any responsibility for the content or use of these third-party websites or any transactions completed through such sites. CICERO Systems privacy policy is designed to ensure the privacy and security of your information. We will not sell, distribute or hand over your personal information to third parties unless we have your permission or are required by law. We can use your personal information to send you promotional information that we think you may find interesting. You can opt out of such a message at any time by emailing or emailing us at the info@cicerosystems.com, or through a profile page on that site if provided. What we collect We can gather the following information from you in order to create your account and manage your subscription: Name and name Email Address Postal Address Phone Number (s) Preferences pertaining to our sites As we use cookies in general, cookies help us provide you with the best website by allowing us to adapt our website to meet your individual needs. A cookie is a small file that asks permission to be placed on a computer's hard drive. The cookie does not give us access to your computer or the information stored on it.
